

## **NON-EXCLUSIVE DISTRIBUTION LICENSE**

By submitting this license, I hereby grant Wilfrid Laurier University Library (Laurier) and its agents, principals, and successors a non-exclusive license to archive, preserve, and/or distribute this work (including the abstract) worldwide in print and electronic format and in any medium, including but not limited to audio and visual.

I warrant that I am the sole copyright holder of this original work. I retain ownership of the copyright and may deal with the copyright in the work, or any part thereof, in any way consistent with the rights granted to me by Laurier in this non-exclusive license. I retain moral rights in my thesis in accordance with the Copyright Act or comparable legislation.

I certify that the version of the work I am submitting is the same as that approved by my advisory committee. I warrant that I have completed and signed the Theses Non-Exclusive License from Library and Archives Canada and that all ownership rights outlined in that document are applicable here.

I authorize Laurier to use my name in association with this work and to display bibliographic information concerning this work, including any abstract that is provided in the contents of the work. Laurier retains the right to remove all work that is found to violate the legal rights of any person.

I understand that Laurier is under no obligation to take legal action on behalf of the depositor in the event of infringement of intellectual property rights or any other right in the material deposited. In the event that the rights of the depositor are infringed upon by a third party, Laurier is in no way culpable.

I understand that Laurier is under no obligation to reproduce, transmit, or display this work in the same format or software as that in which it was originally created. I agree that Laurier may, without changing the content, translate the submission for purposes of accessibility and preservation. I also agree that Laurier may keep more than one copy of my submission for the purposes of security, back-up, and preservation.

I understand that my work will be made globally accessible and that users are able to download and transmit my work without my direct consent. Furthermore, I understand that my work is not to be modified, transformed, or used for commercial purposes by any user without my direct consent. I also understand that, should I require a different license, it is my responsibility to contact the repository administrator with this request.
