

Program Worksheet – Creative Writing Concentration

The Concentration (for English majors) pursues two main goals: 1) to help students develop writing and critical skills by offering opportunities to think beyond the usual forms of academic writing; and 2) to offer students real-world experience in developing writing for professional publication, using their analytical, editorial, and creative acumen.

Notes:

1. The Concentration is open only to English Majors. Students are required to achieve an average GPA of at least 7.0 (B-) in English in order to graduate with this Concentration.
2. Non-English Majors may take the Creative Writing Minor.
3. Refer to [Regulations Governing all Minors/Options](#).
