### Notes

1) NO core courses not used to meet other program requirements may be used as electives.

2) Courses on this list may well have prerequisites or other conditions associated with registration.

3) Courses listed in bold may be used as elective courses for the NO major, NO minor, **and** Canadian Studies minor. Courses that do not appear in bold, **can't** be used for the Canadian Studies minor.

4) This list is not exhaustive. Other courses may be available that could be used as a senior elective credits. For example, there may be courses previously offered by departments and programs that could be used as senior elective courses but that have been removed from the list because they are no longer currently offered. If you are or were enrolled in a course not listed here that substantively addresses Canadian, American, or North American subject matter, provide a course syllabus to the Undergraduate Advisor and determinations can be made on a case by case basis as to whether a course qualifies as an elective.
