Program Notes:

To graduate students must have a minimum 7.0 cumulative GPA on all Option courses.

Honours program students with a minimum overall GPA of 7.00 at the end of Year 1, Year 2 or Year 3 are eligible to apply for the International Policy Option.

At least 2.5 of the required 4.5 credits in the option must be completed at Wilfrid Laurier University.

Completion of the International Policy Option requirements will result in a “International Policy Option” designation on student transcripts. The option is open to all honours students.

Students are not permitted to complete both the International Policy Option and the International Development Option.

Not all requirements are reflected on the program worksheet. It is solely the responsibility of students to ensure that they are properly registered and meet course requirements and the requirements of the program for which they are registered. Please review the academic regulations and program requirements listed in the Undergraduate Calendar (www.wlu.ca/calendars).
